About Me

I'm a third-year Bachelor of Engineering student specializing in Artificial Intelligence and Machine Learning at Ballari Institute of Technology and Management.

Education

Ballari Institute of Technology and Management Bachelor of Engineering	CGPA: 9.0(Current) 2021 – 2025
Sathyam PU College Ballari Pre-University Education	94.33% 2020
Shanthinikethan English Medium High School Ballari High School Education	90.4% 2018

Technical Skills

Programming:	C, Java, Python
Web Development:	HTML, CSS
Design and Development:	UI/UX Design (Figma)
Databases:	MySQL (Intermediate)

Projects

Online Fee Management System | [GitHub](#)

Developed a comprehensive fee management system using HTML, CSS, PHP, JavaScript, and MySQL, improving fee processing efficiency by 30%.

Meeting Room Booking Application | [GitHub](#)

Created a Python-based application for booking meeting rooms, reducing scheduling conflicts by 50%.

User Authentication System | [GitHub](#)

Implemented a secure user authentication system in C, enhancing system security for a client application.

Internships

Python Programming Language at "EZ Trainings and Technologies Pvt. Ltd." [1] Oct 2023 - Nov 2023

During my internship at EZ Trainings and Technologies Pvt. Ltd., I built and delivered a project on the EZTS platform, gaining hands-on experience with Python and enhancing my understanding of Machine Learning.

C Programming Language at "Destination Technologies". [2] Oct 2022 - Nov 2022

I worked on a project using C, where I learned both the basics and advanced concepts of C programming.

Certifications

- Microsoft Power BI Data Analyst Associate in association with Microsoft. [1]
- Foundations of Cybersecurity course authorized by Google and offered through Coursera. [2]
- Programming in C, Data Structures and Algorithms using Java from Infosys Springboard. [3]

Workshops and Additional Experience

Participated in Hackathons: Participated in two hackathons, gaining experience in collaborative problem-solving and innovative thinking.

Figma Workshop: Attended a Figma workshop to enhance skills in UI/UX design and prototyping.

Other Skills

Quick Learner, Complex Problem Solving, Time Management, Analytical Skills, Communication.
